

136th PAISLEY ART INSTITUTE ANNUAL EXHIBITION at the Glasgow Art Club

INFORMATION PACK

Our new Historic home is the prestigious Glasgow Art Club, 185 Bath Street, Glasgow, G2 4HU. The exhibition will be open to the public from **Monday 28th April to Sat 31st May 2025**. Further details on hand-in and collection times are below.

This will be an open exhibition presenting approximately 400 works. Over 20 awards and prizes.

Work should be original. NO copies!

WALL-BASED WORK

The maximum height or width of wall-based work should be 5½ feet. **Because this venue is not as large as our Paisley galleries, some larger works may not be hung.**

Work should be suitably presented for the exhibition, no clip or metal frames. All works framed or unframed should be strong enough to hang.

Small works: 3d and 2d.

Only small works under 16x16 inches (total size framed or unframed) must be strung but please cover rings to avoid damaging other works.

3D WORK

The Glasgow Art Club is restricted from displaying free-standing sculpture as the venue is also used for corporate dinners and other events. Works in most cases will be displayed against the walls.

Sculptural work should be of a scale that will not create a health and safety issue when displayed on a plinth.

We do have a few plinths but if sculptors can supply their own plinth this would be to their advantage.

Plinths supplied by entrants will not be used with other work without the permission of the entrant.

LABELS AND FORMS

Should be completed online from our website.

Important. Submission information is required **no later than noon the Wednesday 2nd of April 2025.** We are using smart on-line forms for submission.

Please use these links for your submission form:

Member entries - <https://paisleyartinstitute.org/forms/artist-member-entrant>

Open entries - <https://paisleyartinstitute.org/forms/open-entrant>

and simply type in your information and submit. You can print out the form which is your label to attach to your work. You can also get a copy of the details by ticking the 'send me a copy box'

All labels should be completed and attached securely using string to the back of the work so that the label can hang down in front. This should be repeated for each artwork. **For additional security and identification, please ensure that the title, plus your name and contact details are written on the back of the work.**
